

## Vin Uva Tasting Room in Granite Bay To Open in July!!!

The wait is almost over. We will open our Mount Saint Joseph Wines tasting room, Vin Uva, in July! Vin Uva is Latin for “Wine Grape”.

Our lease for this great Granite Bay location – 8629 Auburn-Folsom Road – began on March 19, the feast of St. Joseph. Owners Bob Vandervort and Henry Favro (standing in the above photo) have done a terrific job of leading the Vin Uva tasting room project. Here’s a quick summary of our progress and plans:

- **Design and Permits** – tenant improvement plans for our space have been designed and engineered with final building permits to be issued this week and tenant improvement work beginning next week.
- **Fixtures and Furnishings** – the tasting room will feature a beautiful curved 9 seat tasting bar. The rest of the décor is top secret. You’ll just have to visit to experience the ambiance!
- **Mount Saint Joseph Wines** – our wines will be featured in tasting flights, by the glass offerings as well as bottle sales. Charcuterie including fine cheeses will be available to compliment our wines.

## 2018 Owner's Meeting – The Excitement Grows!

**April 4 Owner's Meeting** – Mount Saint Joseph Wines owners at the 2018 annual meeting did the usual – a review of 2017 financials, winemaking and vineyard progress. This year the highlight of the evening was the unveiling of the plans for the coming Vin Uva tasting room in Granite Bay! Bob Vandervort detailed the building plans and design while Henry Favro described planned sales and operational readiness.

As always, owners were the first to taste and enjoy our upcoming wine releases including the 2015 Sierra Foothill Malbec, Cabernet Sauvignon, Cabernet Franc and Petit Verdot. Everyone agreed – these new wines are the best yet! These wines will be available late summer/early fall for our wine club members and at Vin Uva.

**Upcoming Events**

- 4/22 – Raising Spirits
- 4/25 – WineDown Wednesday
- 4/28 – Lincoln Wine Fest
- 5/5 – Vineyard Tour
- 5/9 – WineDown Wednesday
