## Our MSJ Wines Are Now Featured in Local Restaurants

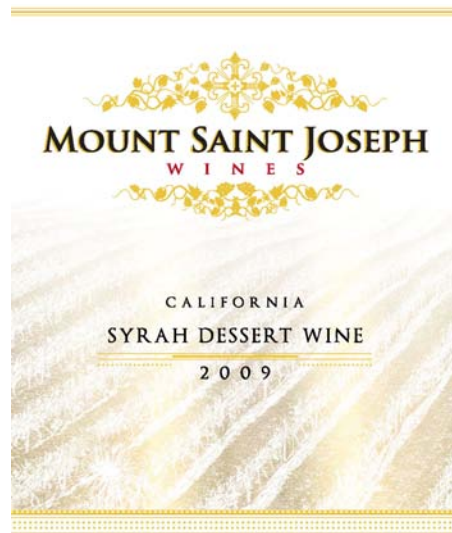

Just a few weeks ago we began marketing our Mount Saint Joseph wines to local restaurants. Known as “on prem” sales in industry vernacular (because the wine is consumed on the premises), our sales to restaurants are an important part of our plan to make our wines broadly available. Mount Saint Joseph wines are now proudly served at:

**Source Tapas (Granite Bay)** – Source Tapas was the first area restaurant to carry our wines. Irie Gengler, owner and chef, features our Chardonnay, Cabernet Sauvignon, Zinfandel and Marello to pair with his tapas dishes.

**Dominick's NY Pizza and Deli (Folsom)** – Dominick's is shown in the photo above where over 40 of our wine club members enjoyed our Marello and Zinfandel with some terrific Italian fare.

**Bunz Sports Pub (Roseville)** – you can now enjoy our Chardonnay, Zinfandel and Marello at Bunz while having a burger or tri-tip. Join us on Friday, August 26 for the preseason match up between the 49ers and the Packers.

**Legnends Sports Bar and Grill & The Clubhouse at Woodcreek (Roseville)** – our Chardonnay and Cabernet Sauvignon are now available at weddings and other events at the club.

## Syrah Dessert and Rose Wines Coming Soon

Peter has done it again – he's adding a couple of terrific new wines to our California portfolio. At the end of this month you will be able to enjoy our 2009 Syrah Dessert Wine and our 2014 Rose.

**2009 Syrah Dessert Wine** - this is a specially blended, old barrel “Port style” wine. It has received rave reviews from our owners and wine club members who were lucky enough to preview it last Wednesday night at Dominick's.

**2014 Rose** - delicious and enjoyable, this wine is medium-bodied, juicy clean and dry on the palate. For those of you who remember Lancer's and Mateus in the 70s.....well, this Rose is nothing like them!
