MSJ Wines A Hit at KofC Dinner

On Saturday, January 30, the Saint Joseph Marello Knights of Columbus presented their annual charity and scholarship fundraiser – their Seafood and Pasta Dinner and Auction. **The wines they chose to serve at dinner.....Mount Saint Joseph 2014 Chardonnay and 2013 Tempranillo!**

As you can see by the photos above, the 375 guests at the event thoroughly enjoyed our wines. In fact, before dinner was over the guests were clamoring for more. While we did not have a miracle as at the wedding feast at Cana, Peter Story did happen to bring a couple of extra cases in his car. We are delighted that our first wines were so well received!

Saturday was also the first run for our information and display table which was staffed so professionally by Peter's granddaughter - Madeleine Ruybal (pictured with her grandmother Paulette above.)

Tempranillo Bottled - “Marelo” Release in March

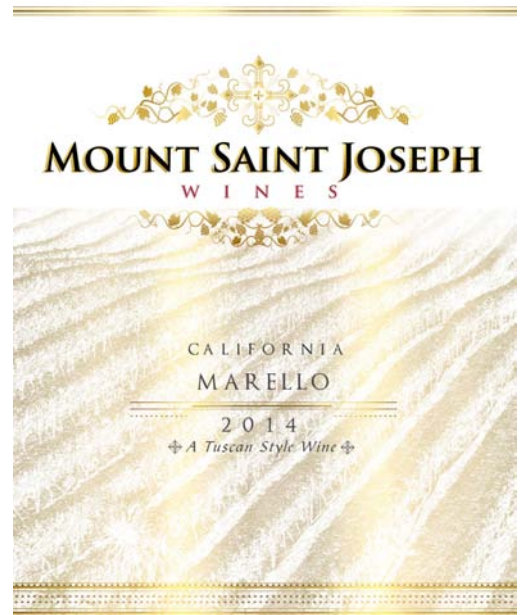

As our 2015 **Sierra Foothill** wines continue their maturation in French oak barrels in Napa pending their 2017 release, Peter has been busy selecting, blending and bottling our **California Series** wines.

Our 2014 Chardonnay (213 cases) and 2013 Tempranillo (104 cases) are bottled and ready. Direct to retail sales have begun with approval of our federal TTB permit.

Direct to consumer sales will begin with approval of our California ABC license which we anticipate in the coming weeks.

We are very excited about the pending March release of our next wines, a Cabernet Sauvignon and Marelo, a Tuscan style wine.

Expect more information in the coming weeks about these great wines and how you can order them.
