

# Mount Saint Joseph Wines

July 6, 2017

## Hallelujah - the Vineyard Is Blessed and Planted!!!!

June 2017 will now always be a special month for Mount Saint Joseph Wines.

On June 4 – with most of the preparatory vineyard work completed- Fr. Phil Massetti blessed our vineyard as Deacon Dennis Gorsuch assisted and 180 owners, wine club members and guests looked on. It was a glorious ceremony followed by a terrific lunch and celebration at the Mareello Youth Center.

The only things missing that Sunday afternoon were our vines. Late spring rains moved our development and planting schedule from May to June. Peter and his crews have worked incredibly hard the entire month of June as they completed the vineyard infrastructure and irrigation system.

Finally, on June 28 and June 29, our 3000 Cabernet Franc, Petit Verdot and Petite Syrah vines were planted and the grow tubes (they look like tall milk cartons) were placed. With our vineyards gracing the front hillside – the Mount will be even more beautiful in the years to come. Enjoy with us the coming years as our vines mature and produce some fantastic grapes for our estate wines. The journey continues!

## What a Team! – Our People Make Us Special

Anyone who has enjoyed Mount Saint Joseph wine knows that our wine is very special but it is all the people who work behind the scenes, however, that truly make us unique.

In addition to Peter and Joe.....

**Derek Irwin** – Derek is our consulting winemaker who works closely with Peter in both the winery and the vineyard.

**Daniela Lingren** (photo above) – Daniela is the newest member of our team. Daniela is our sales representative and has just started selling our wine in the Sacramento area.

**Our Owner Volunteers** – many of our 73 owners play an active role in staffing wine pouring events and wine club events. Some like Bob Vandervort, Allen Cummings and Mike Jones (pictured above top left) even take on projects like building our amazing pump shed in the vineyard. Others work vineyard projects, help with our tasting room search/design, host tasting parties, etc..

**Our Vendors** – we have many vendors and partners. Of special note is our vineyard crew led by “Jaime” (photos above). They are the most dedicated, talented and hard working people around – God bless them!

Coming Soon....

Our 2015  
Sierra Foothill Series  
Wines

Stay Tuned!

July Promotion – “Cracklin Rosie”

Buy 3 bottles of any of our wines
