MSJ Wines Website Up & Running

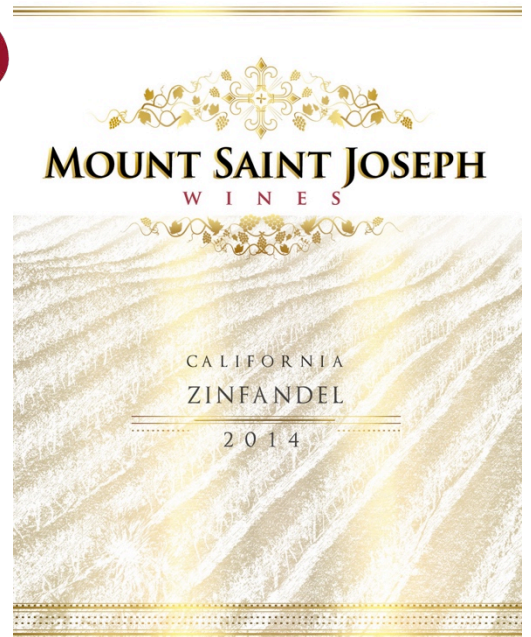

<https://www.mountsaintjosephwines.com>

On Monday March 7 (just after the approval of California ABC license) we went "live" with our website. If you haven't been one of the 608 sessions or 2,478 page views since then (thank you Google Analytics), just click on the hyperlink above and join the party!

Reviews of the website so far have been very positive. One customer, Greg, reports, "great job on the website....ordering wine and joining the wine club was easy....very user friendly!".

The site features information about all five of our wines including our just released 2014 Zinfandel as well as wine club information, our MSJ Wines story, Peter's blog, our newsletters and a whole lot more. Drop in, browse a while and bookmark our site!

Immaculate Heart Radio

Much Going On.....We Have Had a Busy Spring!

2014 Zinfandel – on April 5 in Napa Peter bottled the last of this year's California offerings, his Zinfandel blend. At only 58 cases, it is truly a limited release. It is excellent – don't wait – this one will go fast.

IHR Radio Campaign – on May 1 we proudly began our underwriting and associated radio campaign at Immaculate Heart Radio. Tune into 1620 AM in Sacramento. Our spot can throughout the day including Thursdays in the 10 o'clock hour when Fr. Matthew Spencer is the guest on the Phil Sandoval show.

Events, events, events – our wines have been poured and very well received at a number of events in the last two months including:

- Sacramento Rotary Club's Festa del Vino
- Meyer & Yee Client Appreciation Party
- Feast of St. Joseph at Mount St. Joseph
- Fr. Phil Massetti's 40th Anniversary Celebration
- Twin Oaks Wine Tasting
- Raising Spirits Tasting at Catta Verdera Country Club
